

## Prayer Altars Group Study

Welcome to the Prayer Altar group study. This study is to equip you with a strategy from the word of God, to advance His kingdom in your individual life, family life, church, community, and beyond as you choose to apply His word.

The study has been designed to engage at three different levels, allowing you to participate where you desire.

**For level one** you'll need to listen to an mp3 of the Prayer Altars book and answer questions at the end of each chapter.

**For level two** you'll need to listen to the Prayer Altar book and also read each chapter. Answer questions at the end of each chapter and in addition break down two passages pertaining to that chapter.

**Level three** is designed to equip leaders who will later be certified to teach a group study. You'll need to listen to each chapter, and read each chapter. As you complete the reading of each chapter, you will take a time to pray asking The Holy Spirit to reveal to you what is in the scriptures utilized in each chapter. We have compiled every scripture in order of each chapter. After praying, read the scriptures to each chapter, go back and read the chapter again. The scriptures in order will be provided for you. As in the previous two levels, you will be required to also answer the questions at the end of each chapter and a brief paragraph as to what you have learned for the week.

Although the group may be engaging at different levels the questions are primarily the same allowing a spirited group discussion at the beginning of each weeks study. It should also provide a different respond to the questions; bring a much fuller review of the chapters.

Thank you for taking the time to encourage one another in the Prayer Altar Group Study.
