

Prayer Altars Group Study

Chapter 1

Levels One to Three

1. What do you see currently coming against Christianity?

2. What laws have been changed so that now they are unbiblical?

3. What are the positive changes that come because of prayer altars?

4. What would be the benefit to having a prayer altar in the market place?

5. What expectations do you have for your home as you start an individual altar?

6. After hearing or reading the testimonies of this chapter, what expectations are encouraged?

7. How do you see this study impacting your region?

Those doing Levels One and Two may stop here.

Level Three

8. In a brief paragraph describe your sense of urgency and what your role looks like in building a prayer altar.

9. In 1 John 5:14-15 what limits and parameters do you find to this prayer?

Prayer Altars Group Study

Chapter 2

Levels One to Three

1. How has the biblical definition of marriage changed?

2. What are some of the ways the family is being attacked?

3. What warning can we see coming out of the UK?

4. When you look at the nations today, what signs so you see that judgment is coming?

5. What do you believe God is stirring in His people?

6. How did David create an atmosphere to stop the judgment of God?

7. Why should we build an altar?

Those doing Levels One and Two may stop here.

Level Three

8. Describe three significant areas we should fight for.

9. What current issues, not in the book, are occurring today, and how are they affecting our nation?

Prayer Altars Group Study

Chapter 3

Levels One to Three

1. What is looming over our region and nation that God in His mercy is allowing us to see?

2. What lessons can we learn from the vision?

3. Why did Abraham build altars across the land (what we call the Abrahamic Strategy)?

4. How will building prayer altars across a land affect the region?

5. Why do we need prayer altars in our region and who should be the participants?

Those doing Levels One and Two may stop here.

Level Three

6. Write a brief description of the two main points of this chapter.

7. In Deut. 11:13-17 there is a promise of the former and latter rains. What are the requirements to gain this promise and/or to lose it?
